

ALUMNAE ASSOCIATION OF MOUNT HOLYOKE COLLEGE

YOUNG ALUMNA VOLUNTEER LEADERSHIP
AWARD 2019

PRESENTED TO

Natalya Marusich '04

NATALYA MARUSICH, CLASS OF 2004, the Alumnae Association of Mount Holyoke College is pleased to honor you with the Young Alumna Volunteer Leadership Award. This award honors a young alumna who has demonstrated strong leadership, consistent effort over time and active involvement in one or more areas of service, resulting in a meaningful accomplishment for the Association and/or College. Volunteer effort may be on behalf of classes, clubs, global regions, groups, the Association or the College.

Natalya, since graduation you have shown your loyalty and dedication in the leadership roles you have held for your club, global region, the Association and the College. For the Mount Holyoke Club of New York City, you have served as program committee member and young alumnae chair. Currently the regional president and contact in Singapore, you have served as alumnae representative book-award sponsor and alumnae representative assistant for the region. In 2016 you were a member of a three-person team tasked with organizing the Mount Holyoke Asian Alumnae Symposium in Singapore. As symposium organizer you were instrumental in overseeing myriad event details, from planning logistics to identifying speakers and maintaining a relentless focus on many moving parts.

You are the driving force behind the Mount Holyoke community in Singapore, and, with the College community becoming ever more global, you have been instrumental in promoting Mount Holyoke's mission and values. With your continued dedication to the College's future, a former Board of Trustees member remarks that you have the innate ability to pull a team together and provide outstanding leadership, adding, "Natalya is intelligent and charming, with a winning, can-do attitude."

NATALYA, for your strong leadership, the Alumnae Association is honored to present you with the Young Alumna Volunteer Leadership Award on this, your fifteenth, reunion.
